WELCOME

to Wyndwell Care Home

A PERSONAL CONNECTION

“The home is always warm and clean, and the staff are welcoming. It has taken a lot of the stress off my shoulders knowing my mother is getting the care and attention she needs, and my visits with her are more about spending time with her.”

A home with heart

The warmest welcome awaits you at Wyndwell Care Home. This happy and characterful home offers residential and nursing care where residents thrive, connecting to others and living lives they love.

Our approach to care is completely personalised. We are driven by the unique needs and goals of each resident, empowering residents to live independently, in the way they choose for as long as possible. A team of friendly and experienced carers and nurses create bespoke care plans and prioritise each resident's individual requirements, helping them enjoy engaged and meaningful lives.

Our long-established residence is ideally situated on the harbour, in the historic heart of Peterhead and at the centre of community life. We enjoy spectacular views and enviable connections to the village and surrounding towns – we really are part of the very fabric of Peterhead.

We would love you to experience the Wyndwell welcome for yourself.

A place to call your own

Wyndwell is a unique, period property combining old-world charm with modern amenities. Cosy corners and quirky rooms provide character and comfort while huge windows, high ceilings and stunning harbour views ensure our home is a place to inspire. Décor is frequently updated for a fresh, airy feel.

Our 31 residents enjoy spacious and quirky bedrooms, many with ensuite washroom facilities. We understand that moving house can be a significant transition and it's important to create a place that feels like home. For that reason, we encourage everyone to personalise their space, bringing their treasured possessions and precious pieces of furniture with them to create a relaxing and homely environment full of personality.

Inside and out, Wyndwell is designed for relaxation and enjoyment. Our large, accessible garden boasts a pretty summer house, a water fountain and raised planters for our keen

gardeners to tend. It really is the perfect place to spend a sunny afternoon. Inside, there's a bright conservatory in which to relax, while the impressive Harbour View lounge makes the ideal setting for cake, coffee and convivial conversation.

This is a home full of love and laughter, where visiting friends, relatives and members of the local community are always welcomed -- indeed many residents are long-standing Peterhead inhabitants. We value the strong links we have within the town, and we appreciate the opportunity to meet and make memories together.

“The home is ‘homely’ and welcoming, there are lots of activities and everyone goes the extra mile to see that my Mum is happy and well.”

A lifestyle to love

Our dedicated in-house activities and wellbeing team brings joy to every day with a vibrant programme designed to nourish mind, body and spirit.

Wyndwell are members of the National Activity Providers Association (NAPA) and we believe that activity and engagement is a vital part of care provision, helping residents live content, creative and connected lives.

Whether it's inspiring day trips, café outings, chair yoga sessions, regular "Boogie In The Bar" local meetups or more spiritual and religious events - we cater to every resident's unique interests. A newspaper delivery services keeps residents up to date, while access to a hairdresser provides a little pampering indulgence to lift spirits.

From collective fun to soulful moments of reflection, there's always something exciting happening to ensure everyone feels fulfilled, happy, and connected. Wellbeing is at the heart of everything we do, and we strive to

create a nurturing environment where life is celebrated in every way that matters.

An appetite for life

Every meal is a fresh, flavourful experience at Wyndwell. Prepared with quality ingredients, and locally sourced (where possible) by our talented cooks, each dish is crafted to be both nutritious and delicious. Our menus are carefully curated alongside residents and our Hospitality Manager to ensure that every bite delivers nourishment and enjoyment.

Whether residents prefer dining in our friendly communal areas or in the cosy privacy of their room, we cater to all personal tastes and preferences. With a wide variety of options, every mealtime is deliciously tailored to our resident's individual needs.

Care as unique as our residents

Wyndwell is proud to provide person-centred care, informed by each resident's requirements and choices. Our skilled team partners with residents and their families to create a plan to meet all personal care needs and to help them achieve their goals.

We get to know every personality, we understand their hopes, their daily rituals, their passions and pet peeves. We deliver personalised care centred around every unique character and their needs, helping everyone live a life of joy and dignity.

We offer compassionate respite, residential and nursing care as well as specialist care for residents living with Alzheimers and dementia. Round-the-clock assistance is provided by our on-site care team

and registered nursing staff, so you can be sure residents are safe and supported every minute of the day.

Communication is key and our staff deploy Nourish care planning technology to enhance care and enable collaboration throughout the team. We also use pain-assessment analysis tools to support clinical decision-making, helping detect and monitor pain in our residents – especially where they may not be able to articulate their needs.
